The Buyer commits himself to participating in the bidding in compliance with the regulations included in the auction catalogue, and in particular, to purchase the objects within the fixed deadline. Participation in telephone bidding means that the participant offers the starting price for the particular object. In the case when the price is bid upwards, the participant asks for a telephone connection in order to continue his/her participation in the bidding.

When participating in the auction on the basis of the above order, the  
buyer pays:

A bid bond of.....

Name and surname Mrs/Ms/Mr.....

Address .....

Telephone number.....
